Everybody
loves a good
tip.

How much
more would
you like a
great tip?

You get lots of tips, some are mere words and others are more direct; like money.

Race fans know about the tip: “in low, out high.”

Investors will always remind you to “buy low, sell high.”

Marilyn has a tip for when you are trying to serve guests at home: be sure to keep the dinner simple. That way you can enjoy the time with your guests.

As an engineer, I am always trying to offer tips for my engineering students.

Tips can help you be better, faster and more efficient.

Unfortunately, starting back with Adam, we have turned our back on God (that is called Sin.)

In the Letter to the Romans in the bible, God tells us that “all have sinned, and fallen short of the glory of God.”

But what does that really mean?

To sin is to turn away from God, and do our own thing. The writer of the Letter to the Romans says that this is to fall short of the Glory of God.

But, what does that mean? Well, a bit further on, in that letter, God tells us that “the wages of sin is death.” This means that each, and every one of us deserve to die, in payment for our turning away from God.

That verse, alone, would be devastating news. However, God does not leave us hanging with just that thought.

That sentence continues with: “but the gift of God is eternal life, through Christ Jesus.”

The Letter to the Romans also tells us that God loved us so much that “when we were in our sin, Christ Jesus came to die for us.” Jesus took those “wages of sin,” on Himself, so that we may be allowed to live with God, forever.

The Letter to the Romans continues with: “if you confess with your mouth Jesus as Lord, and believe in your heart that God raised Him from the dead, you will be saved.”
